## Unusual movements

Qualitas Controladora, S.A.B. of C.V. ("Qualitas", "the Company" or "the Group") informs its shareholders and the general public about unusual movements in the negotiation of the shares representing its capital stock unique series "Q\*" (the "Issuer").

In relation to these unusual movements presented today in the operation of the shares identified with the ticker "Q\*", the Issuer informs that once the procedure to obtain information has been carried out in accordance with article 53 of the General Provisions ("Disposiciones de Caracter General" by its name in Spanish) applicable to issuers of shares and other participants in the exchange market, the Buy-Back Fund had no significant operation influencing these movements and, to the best of his knowledge, only one alternate board member conducted operations today.

If after a more exhaustive review, additional information is identified in this regard, it will be disseminated no later than the next business day by this same mean and as established by the regulatory framework.

This clarification is made because the request of the National Banking and Securities Commission ("Comisión Nacional Bancaria y de Valores" by its name in Spanish), based on the provisions of article 106 of the Securities Market Law and article 50, penultimate paragraph, of the General Provisions applicable to issuers of shares and other participants in the exchange market.
