## COVID-19 Update

### Rotoplas operations status update during December 2021

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA\*) ("Rotoplas" or "The Company"), the leading provider of water-solutions in the Americas, informs the update on the status of its operations during the month, period in which activities in all countries where it has presence were continuous.

During 2021, 99.9% of orders were completed, while efforts continued to keep the entire Rotoplas community safe, following strict safety and hygiene protocols.

Likewise, employees were kept informed through a monthly newsletter with the status of operations in each country, guidelines to follow and registration forms in case they had to attend any of the offices or plants. Administrative personnel in all regions continued to work remotely, and operating and field service personnel worked in compliance with health and safety protocols. All activities with members of the various stakeholder groups were conducted virtually.
