COVID-19 Update

Rotoplas operations status update during January 2022

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), the leading provider of water-solutions in the Americas, informs the update on the status of its operations during the month, period in which activities in all countries where it has presence were continuous.

As part of Rotoplas' responsibility to keep employees informed, a monthly newsletter is shared with them with the status of operations in each country, the guidelines to follow and registration forms in case they have to attend any of the offices or plants. Administrative staff continues to work remotely. Rotoplas adheres to strict health and safety protocols to protect plant operations and field service personnel. All activities with members of the various stakeholders continue to be conducted virtually.
