Grupo Rotoplas is awarded with the Leading Companies in Sustainable Innovation Prize by HSBC

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), the leading provider of water-solutions in the Americas, announces that after an open call with more than 100 registered sustainability strategies, Grupo Rotoplas was selected as a Leading Company in Sustainable Innovation under the Governance category for companies with total revenues exceeding \$5 billion pesos by the end of 2021.

HSBC awarded Rotoplas' solid governance strategy which is based on four lines of action: Institutionalization and governance in sustainability, Collaborative innovation with meaning, Drive for socioeconomic development, and Safeguarding water as a future resource.

We are convinced that robust and transparent corporate governance is capable of delivering solid results, generating confidence in responsible management and decision making, both for the benefit of the company as well as for the creation of sustainable value for all our stakeholders.
