Rotoplas remains for the sixth consecutive year in the DJSI MILA Pacific Alliance

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), the leading provider of water-solutions in the Americas, announces that for the sixth consecutive year and since the creation of the index, Rotoplas is part of the sample of the DJSI MILA Pacific Alliance.

The index is comprised by the 68 leading companies in sustainability in Chile, Colombia, Mexico, and Peru¹, measuring environmental, social, and corporate governance performance. Rotoplas is among the 24 Mexican companies considered for the sample. The new sample is effective as of December 19, 2022.

The consolidation of Grupo Rotoplas within the index derives from the vision of creating both financial and sustainable value to generate long-lasting wellbeing for all its stakeholders, which has driven a year-over-year score improvement in the S&P Global Corporate Sustainability Assessment.

The nature of the business, the relevance of the Sustainability Strategy, the targets set by the Group and the company's purpose allow Rotoplas to remain a benchmark for ESG in the region.
