Grupo Rotoplas Results CDP Climate Change Questionnaire 2022

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), the leading provider of water solutions in the Americas, announces that it has achieved a "B" rating in CDP's Climate Change report on a scale ranging from "D" (disclosure) to "A" (leadership). The grade obtained by Rotoplas places it in the Management category, which means that the company is acting in a coordinated manner on climate issues.

The company's climate change efforts integrated into its Sustainability Strategy enabled it to receive a higher grade than the North American regional average ("C") and the average for the light manufacturing sector ("C"), surpassing its peers in 5 of the 11 dimensions considered in the questionnaire.

The CDP score allows companies to progress in environmental management based on an evaluation and benchmarking analysis with other companies in their industry.
