AGUA* continues to be part of the ESG Index sample of the Mexican Stock Exchange

Grupo Rotoplas S.A.B. de C.V. ("Rotoplas", "the Company" or "the Group") (BMV: AGUA*), the leading provider of water-solutions in the Americas, announces its continued inclusion in the S&P/BMV Total Mexico ESG Index after the annual rebalancing. The company has been part of the Mexican Stock Exchange sustainability indices since 2019.

The "S&P/BMV Total Mexico ESG" index focuses on global environmental, social, and corporate governance performance principles, comprising the 24 companies with best practices in these three dimensions. It aims to provide core exposure to the Mexican market while significantly promoting the performance of sustainable businesses.

We trust in the strength and impact of our sustainability strategy, prioritizing three essential pillars: people, planet, and profits. These fundamental principles guide our daily actions and decision-making, ensuring responsible operations and sustainable long-term value for all stakeholders.
