rieggo® Rotoplas Strengthens Capabilities with the Acquisition of HiTech Irrigation in Mexico

Grupo Rotoplas S.A.B. de C.V. ("Rotoplas", "the Company" or "the Group") (BMV: AGUA*), the leading provider of water-solutions in the Americas, announces the recent acquisition of assets from HiTech Irrigation of Mexico, a brand specialized in services and systems for all types of irrigation. This acquisition is part of the company's Programmatic M&A strategy, marking a significant step in its mission to drive innovation and sustainability in the agricultural sector.

Eduardo Carrillo, Director of rieggo® Rotoplas, emphasizes, *"The acquisition of HiTech represents a step forward in our commitment to innovate and provide cutting-edge solutions for the agricultural sector, a fundamental pillar in global food security. It also supports the brand's plan for sustained growth over the coming years."*

This strategic operation allows rieggo® to integrate its operational excellence with HiTech's 30 years of experience in irrigation systems, strengthening its position in the sector. This ensures continuity in service offerings for clients of both companies, including design, automation, sale, and installation of irrigation systems, as well as the execution of topographic surveys.
