Grupo Rotoplas S.A.B. de C.V. ("Rotoplas", "the Company" or "the Group") (BMV: AGUA*), the leading provider of water-solutions in the Americas, announces that for the seventh consecutive year and since the creation of the index, Rotoplas is part of the DJSI MILA Pacific Alliance sample.

The index is composed of 61 leading companies in sustainability in Chile, Colombia, Mexico, and Peru, measuring performance in environmental, social, and corporate governance matters. Rotoplas is among the 21 Mexican companies considered for the sample. The new sample will be effective as of December 18, 2023.

The sustained presence of Grupo Rotoplas in the index symbolizes its dedication to a business model focused on sustainability, creating 360° value throughout its chain and for all its stakeholders, basing its strategy on the philosophy of conscious capitalism, combining the generation of financial value (profit) with social (people) and environmental (planet) responsibility.

This commitment, reflected in the good results in the S&P Global evaluations, establishes Rotoplas as a leader in ESG practices, setting trends in the region thanks to its clear goals and robust sustainability strategy.
