Complete equity stake acquisition in 'Sytesa' water treatment and recycling business

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA), the leader in water management solutions in America, announces a new step in the evolution of water treatment and recycling in Mexico. We are pleased to inform our investor community about the acquisition of the remaining 20% of the shares of *Soluciones y Tratamiento Ecológico, S.A. de C.V.* (Sytesa). This milestone marks the total consolidation of our ownership over Sytesa, now commercially known as Rotoplas Servicios de Agua (RSA).

This acquisition represents a step forward in our Programmatic M&A strategy, demonstrating a firm commitment to the expansion and strengthening of our leadership in the water treatment and recycling sector in Mexico. Through RSA, we position ourselves as leaders, providing innovative solutions that not only address but also seek to effectively mitigate the growing challenge of water scarcity in our country.

With this initiative, we reaffirm our mission to lead the change towards a more efficient and sustainable use of water in Mexico.
