## **Rotoplas strengthens its leadership in sustainability: Improves CSA score by S&P Ratings and remains in BMV ESG Index**

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA\*) ("Rotoplas" or "The Company"), leader in water management solutions in the Americas, announces that following the annual rebalancing of the S&P/BMV Total Mexico ESG Index, the Company remains included in the index. Also, this year, Rotoplas achieved a significant milestone by improving its score in the Corporate Sustainability Assessment (CSA), reaching 70 points, which currently places Grupo Rotoplas among the top 5 companies in the industry.

Since 2019, Rotoplas has been part of the Mexican Stock Exchange's sustainability indices, reaffirming our commitment to creating sustainable value. The S&P/BMV Total Mexico ESG Index, composed of the 24 leading issuers in ESG practices, evaluates not only financial performance but also positive impacts on society and the environment. The improvement in the CSA underscores our ability to integrate sustainability into the core of our business strategy, generating value for both investors and society in general.

We remain committed to responsible practices that promote economic growth, the well-being of people, and the protection of the planet. This dual recognition strengthens our conviction that sustainability is the path to a more prosperous and equitable future for all.
