## Rotoplas initiates transition process for its new CFO

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA), the leader in innovative water management solutions across the Americas, respectfully announces that, effective today, it will begin an orderly transition in the role of Vice President of Administration & Finance (CFO), a process expected to conclude in early January 2025.

We extend our deepest gratitude to Mario Romero, who has served our company with dedication and excellence for three decades. His leadership and commitment have been instrumental in our sustained growth and success. Under his guidance, we have made significant strides in financial innovation and sustainability, contributing meaningfully to our corporate responsibility. We are pleased to inform you that Mario will remain on the Board of Directors, ensuring continuity and stability in our strategic direction. We wish him all the best in his future endeavors.

We are delighted to announce that Andrés Pliego will assume the role of CFO. Andrés brings extensive experience in corporate finance, mergers and acquisitions, and capital markets, among other areas. His expertise will be crucial in ensuring the continuity, stability, and growth of our company.

The transition will be managed with the utmost care to ensure a smooth handover of responsibilities. We will work closely with our finance team and business partners to ensure that this transition occurs seamlessly.

We appreciate your continued support and trust in our company. We remain committed to upholding the highest standards of transparency and efficiency throughout this process.
