CDP grants Grupo Rotoplas its highest Climate Action Rating

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), leader in water management solutions in the Americas, announces that it has received an "A" rating, the highest possible score, in CDP's 2025 Climate Change Questionnaire.

This distinction places the Company on CDP's "A-List", a group that includes only 4% of the companies assessed globally and just two companies in Mexico this year.

This milestone highlights Rotoplas' leadership in climate action and reaffirms the strength of its Sustainability Strategy. In addition, the Company obtained an "A-" rating in the Water Security Questionnaire, representing its highest scores to date.

CDP is the world's leading environmental disclosure platform, with a record participation of more than 22,100 companies globally in the 2025 cycle.
