

Rotoplas receives an "A" score in CDP's Supplier Engagement Assessment and is included in the global leaders list

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA*) ("Rotoplas" or "The Company"), leader in water management solutions in the Americas, informs the investment community that CDP, the world's most important environmental disclosure platform, has awarded the Company an "A" score — the highest possible — in the Supplier Engagement Assessment, recognizing it as a global leader in sustainability best practices across its supply chain.

The development and engagement of suppliers on sustainability is part of the Company's strategy to fulfill its purpose of bringing more and better water solutions to those who need them.
