Changes in the Organizational Structure of Grupo Rotoplas

Grupo Rotoplas S.A.B. de C.V. ("Rotoplas" or "the Company") (BMV: AGUA*), a leading provider of water solutions in the Americas, informs the investing public of the following changes to its organizational structure.

Mr. José Luis Mantecón García, Vice President of Sustainability and Institutional Business, concludes his tenure at Rotoplas after more than 35 years of continuous contribution to the company. Throughout his career, Mr. Mantecón García served in various functional areas and both domestic and international operations, including Rotoplas' commercial expansion into Latin America and leading the Sustainability division, playing a fundamental role in the growth and consolidation of Rotoplas. The Company expresses its deepest gratitude for his long career, his steadfast commitment, and his profound passion for the water business.

Mr. Joseph Vesey, who has been responsible for Rotoplas' operations in the United States since October 2023, has made the decision to leave the organization to pursue projects outside the company.

In both cases, the responsibilities of these executives will be absorbed by internal talent, ensuring operational continuity and the execution of the Company's strategy.

Rotoplas thanks Mr. Mantecón García and Mr. Vesey for their valuable contributions and wishes them success in their future endeavors.
