Inclusion of Grupo Rotoplas in the S&P/BMV IPC Sustainable Index

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA) ("Rotoplas" or the "Company"), the leading provider of water solutions in the Americas, reports that yesterday the inclusion of the Group to the S&P/BMV IPC Sustainable, the sustainable index of the Mexican Stock Exchange, was announced. The sample of this index includes the 30 issuers with better performance in terms of sustainability.

The S&P/BMV IPC Sustainable is designed to measure the performance of the main companies in Mexico in environmental, social and economic topics and to provide an objective benchmark for the management of sustainable investment portfolios.

Inclusion in indices such as the S&P/BMV IPC Sustainable and DJSI MILA Pacific Alliance is proof of Rotoplas' constant commitment to create and share economic, social and environmental value always aligned with its purpose for people to have more and better water.
