Closing of divestiture of manufacturing assets transaction in the United States of America to strengthen efforts on E-commerce

Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA) ("Rotoplas" or the "Company"), the leading provider of water solutions in the Americas, announces to the investors community that, as it was informed on July 8th, the cash transaction that contemplates the transfer of its three rotomolding plants in California, Texas and Georgia to Tank Holding Corp. took place today. With this operation the Company will be able to focus on the growth of its E-commerce platform.

The Company reiterates that this transaction contributes to the creation of value by improving the return on invested capital and strengthening the cash position on the balance sheet with approximately \$750 million pesos.
