

## **GENTERA announces signing agreement to sell Pagos Intermex S.A. de C.V.**

**Mexico City, Mexico, December 31, 2019 – GENTERA, S.A.B. de C.V., (“GENTERA”) (BMV: GENTERA\*)** announces that it has agreed to sell its family remittances payment business, Pagos Intermex S.A. de C.V (“INTERMEX”), to TransNetwork L.L.C., a company with more than 16 years of experience in processing payments to financial networks and retail chains, and which is one of the most relevant aggregators in the remittances corridor from the United States, Canada and Europe to Latin America through an extensive network of money transmitters and with more than 58 thousand payment locations in the region.

The transaction is agreed for 100% of INTERMEX's shares and is subject to the signing of the closing documents, which is estimated to be concluded in the first months of the year 2020. Final details of the transaction will be disclosed upon its conclusion.

Aligned to our purpose of helping our clients to fulfill their dreams, this operation responds to the strategy defined by GENTERA to focus its efforts on strengthening the financial products and services offered through its different subsidiaries.

#### **Note on Forward-Looking Statements**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, Company performance and financial results. The words “anticipates”, “believes”, “estimates”, “expects”, “plans” and similar expressions, as they relate to the Company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
