HR Ratings modified the Stable Outlook to Review in Process for the Education Revenue Bonds Series 2014A issued by Trinity Basin Preparatory

EVENTO RELEVANTE

December 18, 2023

The modification from Stable Outlook to Review in Process for the Education Revenue Bond Series 2014A issued by Trinity Basin Preparatory (or the School) is due to HR Ratings not having received the School's Fiscal Year (FY) 2023 audited financial statements, which historically have been completed in October. However, it is important to note that the delay in providing audited financial information has already occurred in 2021. In addition, the Texas Education Agency (TEA) has not published Trinity's Accountability Overview for the academic year 2022-2023. The last one published was an overall grade of "B" for the 2021-2022 academic year.
