

GENTERA INFORMS GUIDANCE FOR 2015

Mexico, D.F. on January 13, 2015 - GENTERA, S.A.B. de C.V. (BMV: GENTERA*) announces the guidance for 2015.

For this year GENTERA expects to keep growing significantly the loan portfolio. As in previous years we will focus on growing ensuring the quality of the assets, which has been and will be a key element in the company evolution. 2015 will continue to be a year in which we will invest in strategic projects for savings and in the development and strengthening of our correspondents manager YASTÁS, which represent the major part of the investments and are key projects to achieve greater financial inclusion.

Therefore, by the end of 2015 we expect to achieve the following:

- 1) **Loan Portfolio** growth between 15 and 17%;
- 2) The **earnings per share (EPS)** will grow in a range of **Ps. 1.87 to Ps.1.92**;

As in the past, we are committed to achieve greater financial inclusion and we expect to serve more clients through the different companies that are part of GENTERA. Committed to the generation of Social, Economic and Human Value we will continue to work hard to achieve our goals.

Note on Forward-Looking Statements

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, Company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the Company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
