About Credito Real

Credito Real is a leading financial institution in Mexico, focusing on consumer lending with a diversified business platform in five main lines of business: payroll credits, durable goods loans, small business loans, group loans and used car loans. Credito Real offers its products mainly to the low and middle segments of the population that have historically been underserved by other financial institutions. Credito Real shares are listed on the Mexican Stock Exchange under the ticker symbol and Series “CREAL*”. (Bloomberg identification number is CREAL* MM)
