EVENTO RELEVANTE

Mexico City, May 9th, 2019. Credito Real, S.A.B. de C.V., SOFOM, E.N.R. ("Credito Real"), announces today the repurchase of 36,482 shares at market price, through its stock buyback program.

As announced last year, Credito Real's Board of Directors Meeting, held on October 23th, 2018, approved, among other points, the amount of US\$100 million (one hundred million dollars) aimed to the purchase of the Company's own shares for a 24-month period.

In this context, Credito Real plans to execute a deep implementation of its shares' buyback program, given its stock's current market valuation. Consequently, there will be some trading sessions with a high concentration of buyback operations (at open market).
